KHVICHA KVARATSKHELIA EA SPORTS PLAYER OF THE MONTH FOR MARCH

The award will be presented to the Napoli left-winger in the pre-match of
Napoli vs Milan

The EA SPORTS Player Of The Month award for March has been assigned to Napoli player **Khvicha Kvaratskhelia**. The trophy will be presented during the pre-match of Napoli vs Milan, scheduled for Sunday 2nd April 2023 at 8.45pm at the "Diego Armando Maradona" stadium in Naples.

Khvicha Kvaratskhelia was the most voted by fans on <http://serieapotm.ea-sports.com/>, in a poll that included Minjae Kim (Napoli), Armand Laurienté (Sassuolo), Adrien Rabiot (Juventus) and Destiny Udogie (Udinese).

The five best players of the month has been selected taking into account the advanced analysis of Stats Perform, created from the tracking data recorded with the Hawk-Eye system. The rating system, patented in 2010 with K-Sport and scientifically validated, considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 25 to 27 of Serie A 2022/2023.

*"The series of successes and awards continues for **Khvicha Kvaratskhelia**, the first footballer to be awarded best of the month three times in the same season - said Lega Serie A CEO **Luigi De Siervo** -. Also thanks to his performances in March, the Napoli midfielder has scored 12 goals and 10 assists in his first year in Italy so far. Kvaratskhelia has now entered the hearts of all football fans for his high-quality plays, such as the wonderful goal scored against Atalanta, a real gem for the Georgian winger".*
