BOULAYE DIA EA SPORTS PLAYER OF THE MONTH FOR MAY

The award will be presented in the pre-match of Cremonese vs Salernitana

The EA SPORTS Player Of The Month award for May has been assigned to Salernitana player **Boulaye Dia** and his Player Of The Month card will be available in FIFA 23 Ultimate Team mode from Friday 2nd June at 2.00pm. The trophy and the Player Of The Month card will be presented during the pre-match of Cremonese vs. Salernitana, scheduled for Saturday 3rd June 2023 at 9.00pm at the "Giovanni Zini" stadium in Cremona.

Boulaye Dia was the most voted by fans on <http://serieapotm.easports.com/>, in a poll that included Domenico Berardi (Sassuolo), Giovanni Di Lorenzo (Napoli), Romelu Lukaku (Inter), Matteo Pessina (Monza).

The five best players of the month has been selected taking into account the advanced analysis of Stats Perform, created from the tracking data recorded with the Hawk-Eye system. The rating system, patented in 2010 with K-Sport and scientifically validated, considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 33 to 36 of Serie A 2022/2023.

"Boulaye Dia was a great transfer deal for Salernitana, a player who had already played on the prestigious Champions League stage and who immediately made his mark in Italy - said Lega Serie A CEO Luigi De Siervo -. With four goals in four games in May, he has already become the top scorer in Salernitana's history in Serie A, but above all, he has led the Campania team to salvation in advance, demonstrating his qualities as a prolific and complete striker".
