LUCIANO SPALLETTI COACH OF THE SEASON OF THE SERIE A TIM 2022/2023

The **Coach Of The Season** award of Serie A TIM 2022/2023 has been awarded to Napoli coach **Luciano Spalletti**. The presentation of the trophy will take place during the pre-match of Napoli - Sampdoria on the pitch of the "Diego Armando Maradona" stadium in Naples.

The award was assigned by a jury of Directors of sports media who evaluated each coach on the basis of technical and sporting criteria and the quality of play of their teams, as well as their behaviour/fair play during matches.

For the final calculation, all matchdays of Serie A TIM 2022/2023 have been considered.

*"Luciano Spalletti's season at the head of Napoli has been simply extraordinary - said **Luigi De Siervo**, CEO of Lega Serie A -. The conquest of the historic third Scudetto by the Azzurri, 33 years after the second one signed by Maradona, is the result of the great commitment of the Club and the work of a very prepared and charismatic coach, capable of integrating the new players in the best possible way and valorise the players already in the squad. In fact, the Azzurri have managed to impose themselves since the first matches not only for the result, but also for the spectacular game, expressing a football that is among the most appreciated on an international level".*
