THE MVPs OF THE SERIE A 2022/2023

Lega Serie A today announced the MVPs of Serie A 2022/2023: the best under 23, goalkeeper, defender, midfielder and striker will receive the trophy on the pitch on the final matchday of the season.

The rankings were drawn up taking into account the advanced analysis of Stats Perform, created from the tracking data recorded with the Hawk-Eye system. The rating system, patented in 2010 with K-Sport and scientifically validated, considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance. For the final calculation were considered all matches played in Serie A (except Round 38).

BEST PLAYERS OF THE SEASON:

BEST UNDER 23: **Nicolò Fagioli** (Juventus)
BEST GOALKEEPER: **Ivan Provedel** (Lazio)
BEST DEFENDER: **Minjae Kim** (Napoli)
BEST MIDFIELDER: **Nicolò Barella** (Inter)
BEST STRIKER: **Victor Osimhen** (Napoli)
