## VICTOR OSIMHEN WINS THE STRIKER OF THE YEAR PRESENTED BY CRYPTO.COM AS TOP SCORER IN SERIE A

Victor Osimhen wins the Striker Of The Year presented by crypto.com award, which rewards the player who has scored the most goals during the Serie A 2022/2023 championship.

The Napoli forward came out on top with 26 goals in 32 appearances, beating Lautaro Martinez with 21 goals and Boulaye Dia with 16. For the Azzurri number 9 it is the first career success in the Serie A goalscorers' table.

*"Victor Osimhen reached his definitive consecration this season, becoming the league's top scorer - said **Luigi De Siervo**, Lega Serie A CEO -. Speed, physical strength, aerial skills and determination were the main characteristics that allowed the Nigerian to break many records, including that of the best African scorer in the history of Serie A, surpassing a legend like former Ballon d'Or Geroge Weah. With the 26 goals scored this season, Osimhen is now an absolute top player, universally recognised as one of the world's top strikers".*
