## RAFAEL LEAO "EA SPORTS FC PLAYER OF THE MONTH" FOR SEPTEMBER

The award will be presented to Milan forward in the pre-match of Milan vs Juventus

The **EA SPORTS FC Player Of The Month** award for September has been assigned to Milan player Rafael Leao and his Player Of The Month card is available now in EA SPORTS FC™ 24 Ultimate Team mode. The trophy will be presented during the pre-match of Milan vs Juventus, scheduled for Sunday 22nd October 2023 at 8.45pm at the "Giuseppe Meazza" stadium in Milan.

Rafael Leao was the most voted by fans on <http://serieapotm.easports.com/>, in a poll that included Domenico Berardi (Sassuolo), Federico Chiesa (Juventus), Andrea Colpani (Monza), Giovanni Di Lorenzo (Napoli), Lautaro Martinez (Inter).

The six best players of the month has been selected taking into account the advanced analysis of Stats Perform, created from the tracking data recorded with the Hawk-Eye system. The rating system, patented in 2010 with K-Sport and scientifically validated, considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 1 to 6 of Serie A Made in Italy 2023/2024.

*"The third award received in the last two championships as player of the month by Rafael Leao certifies the very high level and continuity achieved by the Portuguese winger - said **Luigi De Siervo**, CEO of Lega Serie A -. Also in this beginning of the season Leao has been fundamental: his acceleration, dribbling and ability to change the rhythm of the matches make him a top player appreciated all over the world. The three goals scored by Milan's number 10 in the first six matches have guaranteed the Rossoneri the lead in the standings".*
