LAUTARO MARTINEZ "EA SPORTS FC PLAYER OF THE MONTH" FOR OCTOBER

The award will be presented to Inter forward in the pre-match of Inter vs Frosinone

The **EA SPORTS FC Player Of The Month** award for October has been assigned to Inter player Lautaro Martinez and his Player Of The Month card is available now in EA SPORTS FC™ 24 Ultimate Team mode. The trophy will be presented during the pre-match of Inter vs Frosinone, scheduled for Sunday 12th November 2023 at 8.45pm at the "Giuseppe Meazza" stadium in Milan.

Lautaro Martinez was the most voted by fans on <http://serieapotm.easports.com/>, in a poll that included Gleison Bremer (Juventus), Khvicha Kvaratskhelia (Napoli), Riccardo Orsolini (Bologna), Christian Pulisic (Milan), Matias Soulé (Frosinone).

The six best players of the month has been selected taking into account the advanced analysis of Stats Perform, created from the tracking data recorded with the Hawk-Eye system. The rating system, patented in 2010 with K-Sport and scientifically validated, considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 7 to 10 of Serie A Made in Italy 2023/2024.

*"Lautaro Martinez's start of the season has been simply impressive - said **Luigi De Siervo**, CEO of Lega Serie A -. The Argentine striker is now an absolute top player, with extraordinary numbers and leadership confirmed by the Inter captain's armband. The six goals in four games scored in October, some of them of fine technical quality, have led the Nerazzurri to first place in Serie A TIM and taken Lautaro to the top of the goalscoring charts".*
