PAULO DYBALA "EA SPORTS FC PLAYER OF THE MONTH" FOR NOVEMBER

The award will be presented to Roma forward in the pre-match of
Roma vs Fiorentina

The **EA SPORTS FC Player Of The Month** award for November has been assigned to Roma player **Paulo Dybala** and his Player Of The Month card is available now in EA SPORTS FC™ 24 Ultimate Team mode. The trophy will be presented during the pre-match of Roma vs Fiorentina, scheduled for Sunday 10th December 2023 at 8.45pm at the "Olimpico" stadium in Rome.

Rafael Leao was the most voted by fans on <http://serieapotm.easports.com/>, in a poll that included Berardi (Sassuolo), Buongiorno (Torino), Gonzalez (Fiorentina), Lautaro Martinez (Inter) e Zirkzee (Bologna).

The six best players of the month has been selected taking into account the advanced analysis of Stats Perform, created from the tracking data recorded with the Hawk-Eye system. The rating system, patented in 2010 with K-Sport and scientifically validated, considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 11 to 13 of Serie A Made in Italy 2023/2024.

*"The best player of the month of November as voted by the fans was Paulo Dybala - said Lega Serie A CEO **Luigi De Siervo** -. The 'Joya' is synonymous with creativity and spectacle for over 10 years, a pure talent able to excite and entertain the fans with his magic, a worthy heir to the great playmakers in the history of our league. Roma's current position, in full Champions League struggle, is certainly thanks to the great performances of the Argentine world champion".*
