CHRISTIAN PULISIC "EA SPORTS FC PLAYER OF THE MONTH" FOR DECEMBER

The award will be presented to Milan forward in the pre-match of
Milan vs Roma

The **EA SPORTS FC Player Of The Month** award for December has been assigned to Milan player **Christian Pulisic** and his Player Of The Month card is available now in EA SPORTS FC™ 24 Ultimate Team mode. The trophy will be presented during the pre-match of Milan vs Roma, scheduled for Sunday 14th January 2024 at 8.45pm at the "Giuseppe Meazza" stadium in Milan.

Christian Pulisic was the most voted by fans on <http://serieapotm.easports.com/>, in a poll that included Gatti (Juventus), Guðmundsson (Genoa), Lukaku (Roma), Thuram (Inter) e Zirkzee (Bologna).

The six best players of the month has been selected taking into account the advanced analysis of Stats Perform, created from the tracking data recorded with the Hawk-Eye system. The rating system, patented in 2010 with K-Sport and scientifically validated, considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 14 to 18 of Serie A Made in Italy 2023/2024.

*"The impact of the captain of the US national team, Christian Pulisic, on the Italian league has been immediately equal to his talent - said Lega Serie A CEO **Luigi De Siervo** -. Never ordinary plays combined with concreteness, personality, vision of the game and spirit of sacrifice have made him fundamental in the tactical set-up of AC Milan, which, also thanks to the two goals and two assists scored in December by the American player, remains firmly in the Champions League area of the league table".*
