ALESSANDRO BASTONI "EA SPORTS FC PLAYER OF THE MONTH" FOR MARCH

The award will be presented to Inter defender in the pre-match of Inter vs Cagliari

The **EA SPORTS FC Player Of The Month** award for March has been assigned to Inter player **Alessandro Bastoni** and his Player Of The Month card is available now in EA SPORTS FC™ 24 Ultimate Team mode. The trophy will be presented during the pre-match of Inter vs Cagliari, scheduled for Sunday 14th April 2024 at 8.45pm at the "Giuseppe Meazza" stadium in Milan.

Alessandro Bastoni was the most voted by fans on <http://serieapotm.easports.com/>, in a poll that included Barella (Inter), Kvaratskhelia (Napoli), Leao (Milan), Calafiori (Bologna), Koopmeiners (Atalanta).

The six best players of the month have been selected taking into account the advanced analysis of Stats Perform, created from the tracking data recorded with the Hawk-Eye system. The rating system, patented in 2010 with K-Sport and scientifically validated, considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 27 to 30 of Serie A Made in Italy 2023/2024.

*"Alessandro Bastoni is already a top player at international level and a key element of the national team despite his young age - said Lega Serie A CEO **Luigi De Siervo** -. A crucial player in Inter's defence, so far the least beaten in the league, he has been able to provide three assists in three games in March alone, proving decisive in the set-up phase as well. A modern defender, he is capable of combining marking skills with the technical qualities of a midfielder. For all these arguments, Bastoni was voted by the Serie A fans as the best player of the month of March".*
