THE MVPs OF THE SERIE A MADE IN ITALY 2023/2024

Lega Serie A today announced the **MVPs of Serie A Made In Italy 2023/2024**: the best under 23, goalkeeper, defender, midfielder and striker will receive the trophy on the pitch on the final matchday of the season.

The rankings were drawn up taking into account the advanced analysis of Stats Perform, created from the tracking data recorded with the Hawk-Eye system. The rating system, patented in 2010 with K-Sport and scientifically validated, considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance. For the final calculation were considered all matches played in Serie A (except Round 38).

BEST PLAYERS OF THE SEASON:

BEST UNDER 23: **Joshua Zirkzee** (Bologna)

BEST GOALKEEPER: **Michele Di Gregorio** (Monza)

BEST DEFENDER: **Alessandro Bastoni** (Inter)

BEST MIDFIELDER: **Hakan Calhanoglu** (Inter)

BEST STRIKER: **Dusan Vlahovic** (Juventus)

*"At the end of the Serie A Made In Italy season we award the players who have distinguished themselves throughout the year - said Lega Serie A CEO **Luigi De Siervo** -. These five champions, selected on the basis of performance data and advanced analysis by Stats Perform, have expressed the best in terms of technical quality, leadership skills and athletic performance, being decisive for the results achieved by their respective teams and giving fans those emotions that are the very essence of the game. While waiting to know the final verdicts of the ranking, we would like to thank these top players and all the players, Clubs, coaches and technical staff who contributed to make the Serie A Championship unique, unpredictable and exciting once again".*
