MATEO RETEGUI "EA SPORTS FC PLAYER OF THE MONTH" FOR OCTOBER

The **EA SPORTS FC Player Of The Month** award for October has been assigned to Atalanta player **Mateo Retegui**.

The fans' votes on <http://serieapotm.easports.com/>, combined with individual statistical data, determined Mateo Retegui as the winner, beating champions like Adli (Fiorentina), Conceicao (Juventus), Kvaratskhelia (Napoli), Nuno Tavares (Lazio), Thuram (Inter).

The six best players of the month have been selected taking into account the advanced analysis of Stats Perform, created from the tracking data recorded with the Hawk-Eye system. The rating system, patented in 2010 with K-Sport and scientifically validated, considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 7 to 10 of Serie A 2024/2025.

*"Mateo Retegui's contribution to Atalanta's performance in this first part of the season has been impressive, among the best ever for a striker making his debut with a new shirt in Serie A - commented Lega Serie A CEO **Luigi De Siervo** -. In fact, the six goals scored in the month of October alone have allowed the Italian national team striker to rise to the top of the goalscoring charts, already reaching double figures after just 12 matches. Retegui, who arrived in Bergamo in a brilliant market operation, represents the umpteenth perfect choice of an Atalanta that with its offensive and spectacular game knows how to exalt its forwards like few other teams in the world".*
