PAULO DYBALA "EA SPORTS FC PLAYER OF THE MONTH" FOR DECEMBER

The award will be presented to Roma forward in the pre-match of Roma vs Genoa

The **EA SPORTS FC Player Of The Month** award for December has been assigned to Roma player **Paulo Dybala** and his Player Of The Month card is available now in EA SPORTS FC™ 25 Ultimate Team mode. The trophy will be presented during the pre-match of Roma vs Genoa, scheduled for Friday 17th January 2025 at 8.45pm at the "Olimpico" stadium in Rome.

The fans' votes on <http://serieapotm.easports.com/>, combined with individual statistical data, determined Paulo Dybala as the winner, beating champions like Barella (Inter), De Ketelaere (Atalanta), Ndoye (Bologna), Reijnders (Milan), Rovella (Lazio).

The six best players of the month have been selected taking into account the advanced analysis of Stats Perform, created from the tracking data recorded with the Hawk-Eye system. The rating system, patented in 2010 with K-Sport and scientifically validated, considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 14 to 18 of Serie A 2024/2025.

*"We are delighted that the best Serie A player of December is Paulo Dybala - said **Luigi De Siervo**, CEO of Lega Serie A - because the Joya best represents that increasingly rare category of players who create football and give emotions not only to Roma fans, but also to all lovers of the beautiful game, who know how to appreciate his pure class and his never ordinary plays. Thanks to this award, the fifth since the institution of the prize, the Argentinean fantasist moves into lone first place among the players who have won the EA SPORTS FC Player Of The Month the most times".*
