RANDAL KOLO MUANI "EA SPORTS FC PLAYER OF THE MONTH" FOR FEBRUARY

The award will be presented to Juventus striker in the pre-match of
Juventus vs Atalanta

The **EA SPORTS FC Player Of The Month** award for February has been assigned to Juventus player **Randal Kolo Muani** and his Player Of The Month card is available now in EA SPORTS FC™ 25 Ultimate Team mode. The trophy will be presented during the pre-match of Juventus vs Atalanta, scheduled for Sunday 9th March 2025 at 8.45pm at the "Allianz Stadium" in Turin.

The fans' votes on <http://serieapotm.easports.com/>, combined with individual statistical data, determined Frank Anguissa as the winner, beating champions like Angelino (Roma), Paz (Como), Pulisic (Milan), Retegui (Atalanta) e Zaccagni (Lazio).

The six best players of the month have been selected taking into account the advanced analysis of Stats Perform, created from the tracking data recorded with the Hawk-Eye system. The rating system, patented in 2010 with K-Sport and scientifically validated, considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 23 to 26 of Serie A 2024/2025.

*"Randal Kolo Muani's impact on the Italian league has been one of an absolute champion - said Lega Serie A CEO **Luigi De Siervo** -. In the month of February alone, the French national team striker scored four goals in as many matches, enhanced by the decisive assist in the match against Inter. No Juventus player, in the era of three points per win, had scored so much in his first three Serie A appearances, proving the technical qualities and great character that make Kolo Muani one of the best forwards in the world".*
