### **KENAN YILDIZ "EA SPORTS FC PLAYER OF THE MONTH" FOR AUGUST**

**The award will be presented to Juventus forward in the pre-match of Juventus vs Inter**

The **EA SPORTS FC Player Of The Month** award for August has been assigned to Juventus player **Kenan Yildiz**. The trophy will be presented during the pre-match of Juventus vs Inter, scheduled for Saturday 13th September 2025 at 6.00pm at the "Allianz Stadium" stadium in Turin.

The fans' votes on <http://serieapotm.easports.com/>, combined with individual statistical data, determined Kenan Yildiz as the winner, beating champions like Kristensen (Udinese), McTominay (Napoli), Nico Paz (Como), Soulè (Roma), Thuram (Inter).

The six best players of the month have been selected taking into account the advanced analysis of Kama Sport, created from the tracking data recorded with the Hawk-Eye system. The rating system considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 11 to 2 of Serie A 2025/2026.

*"The fans' vote on the EA SPORTS FC platform awarded Kenan Yildiz as the first Player Of The Month of this season thanks to two outstanding performances by the Juventus player - said Lega Calcio Serie A CEO Luigi De Siervo -. The two assists he provided in the opening match against Parma immediately confirmed Yildiz's technical qualities and class. Wearing the Juventus number 10 shirt at just 20 years of age is not only a great responsibility, but also recognition by the Bianconeri club of his charisma, maturity and extraordinary potential. Yildiz is now one of the symbols of the new generation of talents who know how to create football and excite fans, not only those of their own team.".*
