CHRISTIAN PULISIC "EA SPORTS FC PLAYER OF THE MONTH" FOR SEPTEMBER

**The award will be presented to Milan forward in the pre-match of
Milan vs Fiorentina**

The **EA SPORTS FC Player Of The Month** award for September has been assigned to Milan player **Christian Pulisic**. The trophy will be presented during the pre-match of Milan vs Fiorentina, scheduled for Sunday 19th October 2025 at 8.45pm at the "Giuseppe Meazza" stadium in Milan.

The fans' votes on <http://serieapotm.easports.com/>, combined with individual statistical data, determined Christian Pulisic as the winner, beating champions like Baschirotto (Cremonese), De Bruyne (Napoli), Dimarco (Inter), Krstovic (Atalanta), Orsolini (Bologna).

The six best players of the month have been selected taking into account the advanced analysis of Kama Sport, created from the tracking data recorded with the Hawk-Eye system. The rating system considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 3 to 5 of Serie A 2025/2026.

*"Three goals and two assists in 147 minutes are Christian Pulisic's contribution to Milan's fantastic September - said **Luigi De Siervo**, CEO of Lega Calcio Serie A -. The Rossoneri forward immediately made his mark in Allegri's new tactical set-up, confirming his great versatility and tactical intelligence. Since arriving in Serie A, the captain of the US national team has proven to be one of the most decisive players in our league, gifted with excellent technique, great dedication and a constant desire to improve".*
