FRANK ZAMBO ANGUISSA "EA SPORTS FC PLAYER OF THE MONTH" FOR OCTOBER

The award will be presented to Napoli midfielder in the pre-match of Napoli vs Atalanta

The **EA SPORTS FC Player Of The Month** award for October has been assigned to Napoli player **Frank Zambo Anguissa**. The trophy will be presented during the pre-match of Napoli vs Atalanta, scheduled for Saturday 22th November 2025 at 8.45pm at the "Diego Armando Maradona" stadium in Naples.

The fans' votes online, combined with individual statistical data, determined Frank Zambo Anguissa as the winner, beating champions like Bonazzoli (Cremonese), Calhanoglu (Inter), Cambiaghi (Bologna), Caprile (Cagliari), Leao (Milan).

The six best players of the month have been selected taking into account the advanced analysis of Kama Sport, created from the tracking data recorded with the Hawk-Eye system. The rating system considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 6 to 9 of Serie A 2025/2026.

*"If there is one player who currently embodies the concept of a "box-to-box player", it is undoubtedly Frank Zambo Anguissa - said **Luigi De Siervo**, CEO of Lega Calcio Serie A -. His intensity in defence, his great physical power and his innate ability to break into the opponent's area have made him a key player in Napoli's successes in recent years. Thanks to three decisive goals scored in October, Anguissa repeats his success as best player of the month, which he won last January, and allows the Azzurri to extend their lead in the ranking of clubs with the most Player of the Month awards, reaching 12 in seven seasons".*
